

## **Career Guidance Cell**

Most of the students are in a state of confusion to choose their career ahead after Pharmacy. The choice are many, advises galore all adding up to the grand confusion. He or she feels everyone else is right except himself or herself. We at SACOP, do not want our students to get entangled such situation and make their decision uncertain and complicated. The parents are also helpless for their wards with generation gap and ever growing career options.

For this reason we set up the Career Guidance Cell. The cell treats each student differently. "Each according to his aptitude and talent" is our slogan here. The student's desires and abilities are evaluated individually and are advised the way forward accordingly. A wrong choice of career could be a career lost. And it is very difficult to regain the lost ground in life later. The possible career choices could be higher education abroad, immediate job in hand, being an entrepreneur, doing higher studies etc. The career guidance cell has experts to channelize the students' efforts and intentions in the desired manner. The experts care for the students hence the caring guidance. Thus each and every student at SACOP, "enter to learn and leave to achieve".

Career Guidance Cell is functioning as nodal centre in the college. It consists of Counseling Committee, Training and placement Committee. The Career Guidance Cell functions with the coordination of faculty members and Student coordinators.

### **Members of the Committee**

1. Dr. M. Senthil Kumar, Professor	Convener
